

ArrayList::pop_back

```
graph LR; A[ArrayList::pop_back] --> B[ArrayList::is_empty]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is filled with a dark gray color and contains the text 'ArrayList::pop_back'. The right box is white with a black border and contains the text 'ArrayList::is_empty'. A blue arrow points from the right side of the left box to the left side of the right box, indicating a flow or dependency from the pop_back operation to the is_empty check.

ArrayList::is_empty
